**Subject:** Niagara Falls Boulevard Site - Community Air Monitoring Program

Hi Lyndsey,

I am preparing a CAMP for the air monitoring and sampling activities at NFB. I would like your input as soon as I complete the draft. There are information that I am not familiar with from a HP's perspective. I may call you this afternoon just to get a sense of what additional information I could include on my own before sending it to you. You should receive it by COB today.

Thanks,

**Ben Nwosu**
